Texas Equusearch  
c/o Mr. Tim Miller  
4013 FM 517  
Ste. B  
Dickinson, TX 77539

Dear Mr. Miller:

I would like to convey my appreciation for the leadership and response by the Texas Equusearch during the recent situation when our young student, Bryce Tucker, was missing. Your support as you stayed with us on the scene, and assisted in the search by providing people, supplies and coordination of the vast search team was incredible and appreciated more than you can imagine.

I am so grateful that Bryce was found the next morning safe and unharmed. I am also grateful that our district is in a community where law enforcement agencies work together to provide support in such a frightening and serious situation. The Equusearch Program is a blessing to every community.

Thank you again for all your assistance and for teaming with the district in locating our young student and returning him safely to his family.

Sincerely,

David Anthony  
Superintendent
