Dear Texas Equusearch

On behalf of the members of the Dickinson Police Department, we wanted to express our deep appreciation for your participation in the 2008 Health and Safety Fair, on March 8th, 2008.

As a nationwide public service, we know that the community greatly benefited from the information provided by your staff. It was because of the participation by exhibitors, such as your department and staff, that our event was such a success.

Please extend our gratitude to each of your staff members for their valuable contribution during this event. We look forward to partnering with you again on other community events.

If our Department can assist you in any way, please don't hesitate to contact us.

Sincerely,

Ron Morales, Chief of Police
