

CITY OF PASADENA POLICE DEPARTMENT

June 27, 2008

Mr. Tim Miller
Founder/Director
Texas EquuSearch
P. O. Box 395
Dickenson, Texas 77539

Dear Mr. Miller:

The Pasadena Police would like to express our appreciation to you and the members of Texas EquuSearch for the commitment and service you provided during the search efforts for Randy and Denim Sylvester.

All of the personnel involved in this case commented on the positive contributions you and your organization made during this investigation and subsequent search and recovery efforts. Cases such as this are manpower and resource intensive and your efforts were of great assistance to us. The safety and welfare of children must always be given the highest priority, and your efforts assisted us far beyond what our available resources could have accomplished over the same time span. Unfortunately this case ended with the tragic loss of these young lives, but that should not diminish the value of your assistance.

On behalf of the Pasadena Police Department, and all of our officers, please accept this letter of gratitude for your enormous efforts in this incident.

Sincerely,

M. P. Jackson
Interim Chief of Police
