Re: Assistance to the Oklahoma State Bureau of Investigation

Dear Mr. Miller:

I would like to take the opportunity to thank Texas EquuSearch for the equipment, personnel, and technical expertise they have provided to the Oklahoma State Bureau of Investigation during the past year.

Texas EquuSearch provided personnel and state of the art equipment to search for a missing family in Latimer County, Oklahoma, and for a missing man in Pittsburg County, Oklahoma. The organization also provided personnel and equipment to search for missing evidence in homicides that occurred in Hughes and LeFlore Counties.

Texas EquuSearch provides capabilities that are not available to Oklahoma law enforcement. Their personnel always respond with professionalism. The Oklahoma State Bureau of Investigation is extremely appreciative of their assistance.

Sincerely,

A. DeWade Langley, Ed.D.
Director
