CALDER RD MURDER VICTIM

The skeletal remains of Janet Doe were located on September 8, 1991, at an abandoned oil field located in 3000 block of Calder Rd in League City, TX. Death is estimated to have taken place between 1 month and 4 months prior to discovery. The estimated age at time of death was approximately 31 years old. Janet Doe was one of four victims found at this location between the years 1983 – 1991. She is one of two victims that remain unidentified and the case is still unsolved. Janet Doe had low quality upper dentures and may have had difficulty moving her head due to poorly healed spinal and rib fractures.
