Subject: Word of Thanks

Hi Tammy and Dennis,

I just wanted to again thank the both of you for coming down to Olustee, FL. In December. With out your help and knowledge the search would have went on for several more days. I also want to thank you both for staying over and conducting the training for our team. This information is in valuable for our efforts in the time of need from evidence gathering, missing persons recovery and closure for families.

We recently had another opportunity to use our services in Alachua County due to a over due fisherman. We were able to locate this person in approximately 10 minutes using the skills learned from you both.

With out we could have been there for up to a week or longer due to the conditions.

Thanks so much for your kindness, professional and willingness to help.

Lt C S Brewington
Patrol Lieutenant
Columbia County Sheriff's Office
Lake City, Fl. 32055
