Re: Letter of Appreciation

Mr. Miller:

I would like to take this opportunity to recognize Texas EquuSearch and volunteers for their assistance on April 21, 2015 in the Kemah Boardwalk Marina.

On April 21, 2015 we received a report of a child missing near dock H at the Kemah Boardwalk Marina. You and volunteers responded with marine equipment which was invaluable in our efforts to locate the missing child.

Your organization did an exceptional job on the scene and handled themselves professionally. We know the importance of our agencies working together and I would like to thank you again for your assistance.

Respectfully,

Greg Rikard
Chief of Police

C: Mayor Robert Cummins, City of Kemah
