Dear Mr. Miller,

I would like to express my appreciation to you and the members of Texas Equusearch who recently participated in the search for a missing person. Mr. Dennis Shippey is an elderly resident of Pasadena who is currently being treated for symptoms of Alzheimers Disease. You and other members of Texas Equusearch mobilized and assisted with the search for Mr. Shippey on February 6 & 7, 2009. You and the other members of Texas Equusearch established a Command Center near Mr. Shippey's home at Strawberry Park and assisted the family and the Pasadena Police Department in the search.

Our employees demonstrate great pride for their community and deliver superior service to all of the citizens of our city. I would like to express my appreciation to the members of Texas Equusearch who have volunteered their time and resources to assist the Pasadena Police Department and the citizens of Pasadena on numerous occasions.

Please feel free to contact me if I may be of further assistance in the future.
