Dear Tim:

I wanted to personally thank you and your staff for the outstanding assistance given the Clay County Sheriff's Office during the Somer Thompson investigation. You and your volunteers did monumental work in coordinating the search for Somer and at all times conducted yourself in a professional and prudent manner. It would have been a near impossibility to have managed the search without your organization's assistance. Please relay my heartfelt thanks you to all your staff, especially those who live in Clay County.

If I may be of assistance or vouch for your organization's professionalism at any time in the future, please feel free to call me.

Again, thank you and have a good 2010.

Sincerely,
