

Tim Miller and Texas EquuSearch:

Thank you for letting First Baptist Church assist you in your search for Becky Hamilton. I was amazed at the service and sacrifice your volunteers make day in and day out. You were a blessing to me as I saw you lead in a professional and caring manner.

Please know that First Baptist Huffman is available to help you in the future. I am praying for you in the days ahead because I know that your skills will be called on again. May God bless you and those you help.

Once again. It was our privilege to work with you last week.

In Christ Alone,
