Monica was last seen leaving her home on Faye Street in Berkeley, Missouri on October 28, 2016. She left home with no identification, and has had no contact with her family since, which is highly uncharacteristic of her. She has a tattoo of an "M" on her upper right arm, and in cursive, "Leonard" on her left shoulder blade. The only article of clothing positively seen last wearing, was a pair of black and pink Adidas flip flops.
