26 year-old Curtis Groves was last seen in the deep southwest Houston area on December 25<sup>th</sup> 2019. Curtis was wearing a black jogging suit with the word "Echo" printed on the lower left leg, the image of a bear walking across the chest area of his shirt and white high-top Jordan tennis shoes (all are in picture above). Curtis is Schizophrenic, and he hasn't had his medicine since the day he disappeared. Curtis is thought to be confused, and he sometimes displays a childlike intellect. Curtis often answers questions with a one-word answer only. Curtis is not from the Houston area, and this may increase his confusion. Curtis is in need of his medication, and he is not known to have any scars, marks or tattoos.
