50 year-old Bryan Byrd was last known to be in the Angelina Natl. Forest near Nacogdoches, Texas on February 26th 2020. There is not an accurate description on what color, style or type of Bryan's clothing. Bryan was driving his black, 2017 Toyota Tacoma with Texas license plates of MVD-8989. The rear fender on the driver's side is dented, and his tail light broken. There is likely a Stephen F. Austin Geology sticker on the rear of the vehicle.
