Dear Texas Equusearch Ohio Chapter,

I wish to take this opportunity to convey my deep gratitude for your time and dedication in locating Marcus Wolfe in Whitley County, IN. Marcus Wolfe disappeared in July 2016. Despite community searches and exhausting all leads Marcus remained missing. Due to the efforts of your volunteer team who located Marcus Wolfe on April 8, 2017 in a body of water we were able to provide closure and peace for his mother and family.

The members of your organization demonstrated competence, compassion and professionalism during every aspect of the search. I was impressed with your knowledge and ability to efficiently utilize your equipment to search twenty-three bodies of water in one day. I would highly recommend your services and organization to any department that finds it necessary to search bodies of water for a missing person.

On behalf of our entire department, I sincerely thank you for your time, commitment and dedication to this endeavor. I cannot describe how much it meant to be able bring Marcus home to his family and provide answers for a grieving mother.

With deep appreciation,
