Texas EquuSearch Mounted Search and Recovery team was founded in August 2000 with the intent and goal of helping families find their missing loved ones.

Since that time, Texas EquuSearch has been involved in more than 1,960 searches, and we have been able to successfully return over 400 missing people home. Additionally, Texas EquuSearch has recovered the remains of 251 missing loved ones, thereby bringing closure to their families.

As a 501(c)(3) nonprofit organization (Tax ID 76-0664878), we do not ask families of the missing for donations. Instead, we rely on fundraising efforts and the generosity of the community.

Our fundraising events are completely planned and orchestrated by volunteers and no single person benefits from the proceeds of these fundraisers.
